Subject:	Fwd: from Sarit Catz: haven't heard from Spokesperson's office

---

Hello Ehud,

I still have not heard from the spokesperson's office. I am hoping you will have more luck on your end.

Again, I'm attaching the document for your convenience.

Please let me know if there's anyone else I should be talking to.

Thank you for your help on this,
Sarit

Shalom Ehud,

I hope your travels were pleasant and productive.

I have not yet heard back from the Spokesperson's office. As I mentioned, I have interest in Hollywood on this project. Of course, I cannot make any commitments to productions companies or networks until the IDF approves it.

For your convenience, I am attaching the brief document I created describing the series. Please let me know how you think best to proceed.

Warmly,
Sarit
